Supporting Animals at Breakfast, Lunch, and Dinner

ANIMAL SPONSORSHIP

Open the refrigerator in an animal kitchen at the Minnesota Zoo, and you'll probably find some of the same foods you'd find in your own home—grapes, bananas, carrots, meat, fish, and eggs. Alongside some things you don't typically have in your kitchen—mealworms, crickets, and “mice-sicles.”

Providing a nutritious diet to our 4,300+ animals costs more than **\$500,000** each year. Just one red panda eats about \$250 of bamboo and other leaves, berries, and eggs every month!

When you sponsor an animal at the Minnesota Zoo, your gift will go toward ***ensuring your favorite Minnesota Zoo animals have the healthy, high quality food they need to thrive.*** To thank you for your support, we've created several benefits to recognize your generosity.

Animal sponsorships pay for food essential to keeping animals healthy, AND a sponsorship can be a great gift for animal lovers, aspiring veterinarians and zookeepers, children you'd like to introduce to the concept of philanthropy, and care packages to college students. We will mail your sponsorship package directly to the recipient for no extra charge (within the continental U.S. only).
