Thank you for choosing the Minnesota Zoo as a trusted summer camp destination. We are proud to provide you and your child these memorable and life-changing experiences. As the state’s largest wildlife conservation education resource for discovery and learning, we take the responsibility of connecting you and your child to the natural world seriously.

Your camper will participate in animal encounters, special zoo experiences, active games, and tours. To ensure everyone has a good time during camp, campers are grouped by grade or age, instructors are professional educators and naturalists, and camper to instructor ratios are intentionally kept low.

Throughout this catalog, you’ll find camp programs for all grade levels and ages focused on our key learning areas of Animals and Ecosystems, Animal Care and Conservation, and Minnesota’s Natural Heritage. Connecting to Nature camps that focus on the human-nature connection, camps co-taught by partner organizations, and STEM camps that explore science, technology, engineering, and math are indicated by special icons and logos.
REGISTRATION

Online registration opens:
February 5 at 10 am: Members of the Minnesota Zoo
February 12 at 10 am: General Public

Current members must use their existing web login email to receive the membership discount. Please log in before adding anything to your cart.

Registration only takes place online and full payment is due immediately. Please visit mnzoo.org/zoocamp to register. In order to receive the member rate, your Zoo membership must be current (not lapsed) before you register.

Registration requires signing legal waivers for each camper. Members may only register and sign for campers covered by their membership.

For those registering on February 5, an online waiting room will be available starting at 9:45 am. If you sign on before 10 am, once registration opens at 10 am, your spot in line will be randomly generated. If you sign on after 10 am, registration will be on a first-come first-served basis. Due to the high volume of users please expect to experience a long wait in our waiting room.

Many camps sell out quickly. Please be prepared with a couple of camp or date options. A waitlist may be available for camps that are full. If a spot becomes available, the scheduler will contact the first person on the list and continue until the spot is filled.

Accessibility
General information on accessibility at the Minnesota Zoo is available at mnzoo.org/accessibility. To request a specific disability accommodation, such as ASL interpretation, please include this in your camp registration or contact us a minimum of two weeks prior to your camp. Phone: 952.431.9364 (voice), 952.431.9390 (voice), or 1.800.627.3529 (TTY). Email: access@mnzoo.org or educate@mnzoo.org.

MNZoo4All
Download our free MNZoo4All: A Sensory Guide from the App Store or Google Play if you have a child who might benefit from social guides, visual schedules, sensory-friendly maps, and more.

Confirinations
You will receive an email confirmation within 24 hours of registration. If you do not receive a confirmation, check your spam folder periodically to see if it was accidentally sent there or email educate@mnzoo.org for assistance.

Scholarships
As funds allow, 50% and 75% need-based scholarships are available. Complete an online application at mnzoo.org/scholarships.

Cancellation & Refund Policy
Cancellations made more than two weeks prior to the program will receive a refund of 75% of the program fee. No refunds will be made less than two weeks prior to the program. A transfer to a similar program may be possible if requested at least one week prior to the program. No transfers are allowed within one week of the program start date. Refunds will not be issued for no-shows for any camp program regardless of cause. To cancel or request a transfer, please contact educate@mnzoo.org or call 952.431.9390.

Drop-Off & Pick-Up Locations
Please visit our website at mnzoo.org/zoocamp for information about what to bring and where to drop off and pick up your child from camp. Please read this information carefully as there are multiple drop-off locations for the Zoo Camp program. This information will also be included in the email confirmation you receive.

Options & Fees
Lunch Supervision
Lunch supervision is only provided for week-long campers registered for both a morning and an afternoon camp of the same week, and for all-day camps. A $10 per week fee will automatically be charged to those who register for two half-day camps in the same week. This fee is already included in all-day camp prices. Campers must provide their own nut-free bag lunch.

Before Care Supervision
Available for week-long camps at the Main Entrance
8 am to camp start time $35 per week

After Care Supervision
Available for week-long camps at the Main Entrance
Camp end time to 6 pm $45 per week

NOTE: Traffic and construction are part of Minnesota summers; please plan accordingly. For campers who aren’t picked up within 15 minutes of camp ending, the weekly applicable supervision fee of $5 for every 5 minutes past 6 pm will be assessed. Late pick-ups from After Care will result in additional fees of $5 for every 5 minutes past 6 pm.

Zoo Camp T-shirts
All week-long Zoo Camp participants receive one t-shirt free with their registration. T-shirt sizes must be specified during registration. Extra t-shirts may be pre-ordered at a cost of $12 per shirt. No exchanges are available.

NOTE: For the safety of all campers, Zoo Camp t-shirts MUST be worn each day of camp. T-shirts serve as camper name tags and enable instructors to keep campers together while walking throughout the Zoo. Shirts will be distributed on the first day of camp. On subsequent days, campers who arrive without their shirt will be given one to wear for the day, and may be charged the extra t-shirt fee.

NEW! Snacks & Food Allergies
Due to the high prevalence of food allergies and the challenge this creates to provide a healthy option for every child, Zoo Camp will no longer be providing snacks for campers. However, campers are encouraged to bring a nut-free snack each day as we will still offer snack time. Please avoid peanut butter, granola bars, or baked goods with peanuts, trail mix, Nutella, or any Nutella-based items. “Soy nut” butter and sunflower seed butter are great alternatives to peanut butter.

We cannot guarantee a nut-free environment at the Zoo as guests often bring their own food items containing nuts, and nuts are a regular part of our animal diets. Nuts may also be used during animal demonstrations in the classrooms as positive reinforcement. Please disclose all participant food allergies during registration. To discuss concerns or potential accommodations, please contact educate@mnzoo.org or call 952.431.9390.

FAQ
Please visit mnzoo.org/zoocamp for frequently asked questions. For additional assistance, please email educate@mnzoo.org or call 952.431.9390.

GRADES 7 TO 9
For youth entering 7th to 9th grade in fall of 2019

**Boats and Backwoods**
(previously Build a Canoe at the Zoo)
9 am–4:30 pm
June 17–21: A
June 24–28: B
July 8–12: C
July 15–19: D
Explore the Zoo by foot and by canoe to discover Minnesota’s native wildlife, their habitats, and the conservation work being done by the Minnesota Zoo. Put your woodworking and teamwork skills to the test as you help make a canoe, and get your hands dirty in the backwoods doing some research of your own. Weeks A and C start building a canoe; weeks B and D finish a canoe.
Join us for the boat launch of these two canoes on July 20th at 9 am to celebrate their first time on water!
$325 (no member discounts apply)

**Wildlife Field Exploration**
(previously BioDiscovery)
9:30 am–3:30 pm
June 17–21
July 15–19
Aug 19–23
Have you ever wanted to study animals in the wild? Spend a week in the Zoo’s backwoods using tools of the trade and testing your outdoor skills while investigating a research question of your choice. Minnesota’s diverse ecosystems will help you dive deeper into this popular yet demanding career. Camp will take place outdoors; shelter will be available as needed.
$270 ($235 for Zoo members)

**Engineering for Wildlife**
9 am–noon or 1–4 pm
June 10–14 (am)
June 24–28 (am)
July 8–12 (pm)
Aug 5–9 (pm)
This camp is all about problem-solving! Engineers, designers, and scientists work every day to design solutions for wildlife. Test your skills with design challenges while learning about real-world conservation issues—around the world and right in your own backyard.
$180 ($155 for Zoo members)

**Farm Crew**
8 am–noon
July 8–12
July 29–Aug 2
Aug 5–9
This hands-on week of scooping, raking, and other farm chores shines the light on animal care at the farm. What’s more fun than learning animal training techniques and having the opportunity to “train” a goat? No experience necessary—just a willingness to get a little dirty.
$195 ($170 for Zoo members)

**Zoo Crew**
9:30 am–3:30 pm
June 10–14
June 17–21
June 24–28
July 8–12
July 15–19
July 22–26
July 29–Aug 2
Aug 5–9
Aug 12–16
Aug 19–23
Explore a day in the life of our animal care staff, a zoo vet, a marine mammal trainer, and an aquarist to see if the Zoo is the place for you. Make animal enrichment items, talk with Zoo professionals, visit behind the scenes, and get up close to animals.
Come join the crew!
$270 ($235 for Zoo members)

**Zoo Design**
1–4 pm
June 10–14
June 24–28
July 29–Aug 2
Have you ever wondered how zoo exhibits are designed? Learn about animal needs and how to identify the components that make an excellent exhibit. Plan and create your own zoo exhibit with the help of our design experts and your model-making team.
$180 ($155 for Zoo members)
GRADES 10 TO 12
For youth entering 10th to 12th grade in fall of 2019

GRADES 10 TO 12
For youth entering 10th to 12th grade in fall of 2019

**MARINE BIOLOGY 101**
9:30 am–3:30 pm
June 24–28
July 8–12
July 22–26
What lies beneath the ocean surface? In this in-depth and hands-on camp, discover the diversity of life found in ocean communities. Practice your science skills with dissections and hands-on activities, and go on an off-site field trip.
$270 ($235 for Zoo members)

**PHOTOGRAPHY FOR WILDLIFE**
(previously Power of Photography)
9:30 am–3:30 pm
June 17–21
July 15–19
Tell the story of the Zoo’s wildlife in pictures! Learn how to take better pictures and practice these skills while exploring both public and backstage areas of the Zoo. Meet Zoo staff and create a photo-based conservation project. Bring your own smart phone/camera or borrow one of ours.
$270 ($235 for Zoo members)

**ZOOGOLOGY 101**
9:30 am–3:30 pm
June 10–14
July 29–Aug 2
Aug 5–9
Get a glimpse into the most popular major of study for zoo professionals. The animal kingdom is a big and fascinating world to discover, and the Zoo is the perfect place to investigate. Explore the diversity of the animal kingdom through special talks, behind-the-scenes tours, and animal behavior studies. (No dissections will be performed in this camp.)
$270 ($235 for Zoo members)

**WEEK-LONG TEEN TRAVEL EDVENTURE**

**COSTA RICA: BIODIVERSITY, SUSTAINABILITY, AND TROPICAL ADVENTURE**
July 20–30, 2019
Any registered high school student, including those graduating in 2019
$2,050 plus airfare
Explore the rainforests and beaches of Costa Rica as you learn about the area’s amazing plant and animal biodiversity. Along the way, try your hand at zip-lining, rafting, and horseback riding! Also meet and work with local high school students as you study issues of conservation.
Register at mnzoo.org/travel by April 30, 2019. Space is limited!

Local and regional day or weekend travel opportunities are also available year-round for teens and adults! Visit mnzoo.org/travel for upcoming opportunities.
The Minnesota Zoo is excited to partner with the Autism Society of Minnesota (AuSM) to offer summer camp opportunities for youth with autism.

All camp sessions will be co-taught by a Minnesota Zoo Naturalist and AuSM Educators. Participants must be group-ready: demonstrate self-care skills without assistance; follow adult direction; show readiness for large group participation, including the ability to remain with the group at all times; and follow safety rules independently.

Scholarships available. Visit mnzoo.org/scholarships for information.

DISGUISES & SURPRISES
June 17–21
8:30–11:30 am

NEW! Two-day camps for students entering grades 7-9 in the fall of 2019

**Wild About Horses!**
Meet the Zoo’s horses! Build horsemanship skills while learning the basics of horse safety and care. Instruction includes leading, mounting, dismounting, and proper horse care such as feeding, grooming, and saddling. Camp experience includes a staff-led horse ride. Full-day camps include additional barn activities and interaction with horses.

Note: Due to the smaller size of our horses, campers must be under 200 pounds.

**NEW! INTERMEDIATE HORSE CAMP**
Have you already taken a horse camp at the Zoo? Are you interested in learning more? This camp may be perfect for you! These camps are designed to include some independent riding and more time on horses.

Note: Long pants (ideally jeans) and closed-toe boots or athletic shoes are required. Low-heeled shoes or boots are recommended. Helmets will be provided. Students without proper attire will not be allowed to participate and no refunds or transfers will be offered.

SINGLE-DAY ZOO CAMP FOR ADULTS

NEW! LOVABLE LLAMAS
Thu, June 6 (am)
Mon, Aug 19 (am)
Get up-close and personal with our loveable llamas. Lead, groom, and chill with llamas while learning about their care and the important role they, and their camel cousins, have played in human history.

ALL ABOUT SLOTHS
Fri, June 28 (pm)
Thu, Aug 15 (pm)
Sloths are one of the Zoo's most beloved animals, and one of the most fascinating. Get a big dose of cute, plus some new fun facts and stories. You thought you knew everything about sloths—think again!

EXTREME ANIMALS
Wed, July 3 (pm)
Blow your friends' minds with your new knowledge of the animal world, and meet some of the critters behind these facts and feats. From armadillos to mountain lions and tarantulas to jellyfish, the stories are never-ending!

BELOW THE SURFACE
Tue, July 16 (am)
"Dive" into the fascinating depths of the world beneath the waves, and discover the sharks, seals, and sea turtles that call it home. No wet suit required.

DIVE! FLY! DIG!
Wed, July 31 (pm)
Who needs a backbone to be amazing? Invertebrates rule the earth! Come see what they can do for you...and what the Zoo does for butterflies, mussels and more. Conservation isn't just for the big, soft, or cuddly!

Jealous of all the fun the kids are having at Zoo Camp?
Learn more about zoos and our animals, try some fun hands-on activities, meet new people, and dive into the world of conservation. Join us for one session or come back again and again for new activities and knowledge.

AM session: 9:30–11:30 am
PM session: 1:30–3:30 pm
$25 per person ($19 for Zoo members)
GO WILD WITH US!

The Minnesota Zoo's summer camps are entertaining, educational, and unforgettable! Participants enjoy and engage in activities and learning about the diversity of life in their specific theme-based camp. Many camps will have the opportunity to attend the Wings Financial World of Birds Show, visit Llama Trek, view live animals up close, and explore the Minnesota Zoo’s award-winning exhibits!
